Recognized for our technical, professional and management expertise, PKINK Bina has been entrusted with the construction of some of most prestigious building in the state.

State Administration Complex, also known as Kota DarulNaim, Menara Perbadanan, Bangunan Abrar, Hospital Pakar Perdana KPJ, USM Residential Hostel, Chicha Water Treatment Plant, Keloil Cylinder & Bottling Plants, Rantau Panjang Bazaar & shop lots and numerous of other prestigious are testimony for our capability to undertake major constructions.

With the experiences accumulated over the past years, our construction division is confident of meeting the rapid development in the state of Kelantan by providing unrivalled quality services to help the state forge a better future.

Highway & Bridges

We have successfully completed several roads and bridges projects.

Among major one, Pasir Mas bridges crossing Sg. Kelantan, Pasir Mas bridges railway link and upgrading roads from Kota Bharu to Pasir Pekan.
Since 2001, the company has actively involved in property development in order to fulfill demand for residential and commercial buildings.

Our experience in construction has assisted us significantly in producing projects that surpass client expectations.

Among the projects successfully developed and completed by us were residential development in Tanah Merah, Pengkalan Chepa, Penambang etc.

We also successfully completed Bangunan Perbadanan Menteri Besar Kelantan which houses PMBK HQ in 2003.

The biggest development carried by us is Kelantan Trade Centre which we completed in 2008 and now houses our corporate office. Development value of KTC building is around 70 million.
